

**ADDENDUM NO. 01 TO INVITATION TO BID / RFQ,  
CANDOR TOWER ELECTRICAL UPGRADE**

**1. Issuance of Addendum**

Tioga County hereby issues this Addendum No. 01 (“Addendum”) to the Invitation to Bid (ITB) or Request for Quotations (RFQ) dated 07/09/2025. This Addendum modifies and clarifies the original bidding documents and shall take precedence over any inconsistent language in the original documentation. All bidders must include the content of this Addendum in preparing their bids.

**2. Effect and Incorporation**

This Addendum is an integral part of the bidding documents. Where any conflict exists between this Addendum and the original ITB/RFQ, the terms of this Addendum shall govern. All other provisions remain unchanged.

**3. Acknowledgment Requirement**

Each bidder must acknowledge receipt of Addendum No. 01 on the Bid Form or by separate cover communication before the bid closing deadline. Failure to do so may result in disqualification.

**4. Extensions to Submission Deadline**

The contents of this Addendum does not materially change the scope or cost basis of the project; therefore, Tioga County will not extend the bid submission deadline.

**5. Clarifications and Modifications**

If any prospective bidder discovers ambiguity, omission, or discrepancy in the bidding documents, they should submit written questions to the designated contact before the specified deadline. Responses or modifications will be issued as written addenda and uploaded to the official procurement portal.

**6. Addendum details:**
